SNIDeR Tasks - Verification and execution time questionnaire (Mars 2019)

Dear partners
It is time to submit the Interim / Progress Report of the SNIDeR project in the Mobility Tool so it is important to collect data on the progress of our project after the first exchange of students in Croatia to check our performance.
Please respond to the questionnaire online. It will not take you more than 10-15 minutes.
Some issues are mandatory other are optional.
The follow questionnaire must be answer by the coordinator of each partner organization or a teacher that is involved in the coordination of the project.
Thank you for your cooperation.
Best regards,
Elvira Monteiro
