I would organize evn more free time activities to make the relations between the students even better.

Everything was great.

It's perfect how it is.

I wouldn't improve it. It was ok

To have more dinner like events and that event lasts longer.

It's perfect how it is. Was really amazing.

It's perfect how it was.

It would have been good if we were taken to a trip.

I'm impressed because of the people, but I think you should let the students choose their groups on their own because we have different interests. I also didn't like the activity with finding sights, it was too long and tiring

THANK YOU!
