Question

Individual

1. Please rate the following workshops (check only one):

2. Which workshop met the goals set by the project the best and why?

10 responses

Croatia. A lot of information about dislexya, ADHD, ADD...

Portuguese and Polish workshops.

All of them have provided a useful contribution, is not fair to rank them

Inclusion of children with difficulties - because it covered few different disorders and made students think a bit more about and from position of the special needs students. They also had some space for creativity.

Romania. Excellent activity of practical cooperative work for problem solution

All of them were very useful

Romania

All

Bulgaria - hands on for building the international e-portfolio after a very good lecture about ICT

3. Which workshop(s) did you find least useful and why?

10 responses

None

There is no such workshops.

See above

Polish workshop because it didn't have any special goal except having fun and knowing a bit more about polish culture. Other workshops had a bit more concrete goals.

Croatia, already knew the about the subjects taught

Polish workshop because it didn't have any special goal

4. To what extent were the workshops objectives achieved? Please rate on a scale of 1 to 10.

10. Does your educational systems include special needs students in everyday classes?

10 responses

Yes

No

Rarely

It depends on school and specific case. If the school can afford smaller classes, it is easier to implement inclusion. If classes are big and hard to handle, the best possible option is to rely on students sense of understanding and accepting.

YES

11. How would you improve this event (write your suggestions and comments)?

10 responses

Less time for portofolio

The event was well organised.

The program of the day was too long. I would avoid a trip with nigh over

Less free time, no unnecessary 2-day trips, activities with more clear goals and connections to project's idea.

No unnecessary to have 2-day trip field

Nothing to add

The field trip was too long

More activities during field trip

It was ok

THANK YOU!
